The Hometown Traditions Virtual Craft Fair pays homage to the history of Arts at Hayfield craft fairs that have been successfully hosted on the campus of Penn State Wilkes-Barre for 35 years!

Arts at Hayfield understands the evolving restrictions on public gatherings that continue to create new challenges for everyone. This virtual craft fair provides an opportunity for vendors and crafters to share a long-standing community tradition with online visitors and shoppers.

The **Hometown Traditions Virtual Craft Fair began on September 6<sup>th</sup>, 2020 and runs through August 2021.** Arts at Hayfield offers two (2) levels of promotional memberships on both the Arts at Hayfield Facebook pages and the Arts at Hayfield Website to connect crafters, vendors, and businesses with their potential patrons and customers. This is an ongoing promotional virtual event.

**NOTE: Arts at Hayfield will not post any pricing information and cannot guarantee any sales of products. It is up to the vendors/crafters to contact prospective buyers and to make arrangements for payments and delivery. All work to be exhibited for the Virtual Craft Fair must be the work of the applicant. No kits, commercially made products with slight embellishments, or products hand crafted by others will be displayed. Arts at Hayfield reserves the right to evaluate and accept or refuse applications based on the submission criteria.**
