Attention all Crafters and Craft Vendors!

The Hometown Traditions Virtual Craft Fair pays homage to the history of Arts at Hayfield craft fairs that have been successfully hosted on the campus of Penn State Wilkes-Barre for 35 years! Arts at Hayfield understands the evolving restrictions on public gatherings that continue to create new challenges for everyone. This virtual craft fair provides an opportunity for vendors and crafters to share a long-standing community tradition with online visitors and shoppers.

The **Hometown Traditions Virtual Craft Fair promotion officially begins on September 1st, 2021**. There are two (2) levels of promotional memberships to connect crafters, vendors, and businesses with their potential patrons and customers. (The 12-month membership promotion runs from September 1, 2021 through August 31, 2022.)

NOTE: Arts at Hayfield will not post any pricing information and **cannot guarantee any sales of products**. It is up to the vendors/crafters to contact prospective buyers and to make arrangements for payments and delivery. All work to be exhibited for the Virtual Craft Fair must be the work of the applicant. No kits, commercially made products with slight embellishments, or products hand crafted by others will be displayed. Arts at Hayfield reserves the right to evaluate and accept or refuse applications based on the submission criteria.
